Enhance Your Team with Professional Development Workshops from Granite State College

The New Hampshire Retail Association has partnered with Granite State College on a **members-only** discount program that provides you with a **10% discount** on upcoming workshops.

Strengthen Your Workforce

Find workshops for employees at every level. Topics range from fundamentals such as customer service, to leadership programs for new managers.

Available Across the State and Online

Workshops take place at Granite State College campuses throughout the state, online, and at other convenient locations. No matter where your company is located, you'll have access to affordable, high-quality workshops.

- **Have a large group? Granite State will come to you!**

Learn from Experts

As a leader in adult education, our instructors are experts at teaching and training diverse groups—both online and in person—to build upon existing skills and experience.

Maximize Your Professional Development Dollars

As a NH Retail member, our partnership with Granite State College provides workshops that are customized to the needs of our industry at an affordable rate.
