**New Hampshire Retail Association Welcomes  
New Endorsed Class Action Settlement Claims Partner**

March 13, 2024 (Concord, NH)— New Hampshire Retail Association (NHRA) has partnered with DCap Claims — a 3rd party filer of business-to-business settlement claims. DCap is our trusted partner to help members recover swipe fees from the \$5.54 billion Visa/Mastercard class action and antitrust settlements for all eligible merchants who accepted Visa/Mastercard credit cards between January 1, 2004 and January 25, 2019.

NHRA hosted a webinar in collaboration with Retail Association of Maine and the Maine Grocers and Food Producers Association to launch the partnership and this new settlement claims member benefit. Guest speakers, JR Long, COO and Matt Miller, Education Center Manager at DCAP Claims, explained how to maximize and simplify settlement claims. NHRA encourages all our members to review their settlement eligibility and consider participating in this opportunity. While you *do not need to sign up with a third-party service to participate*<sup>1</sup> in any monetary relief, NHRA has vetted and approved the partnership with DCap to provide an added membership benefit as follows:

- 25% contingency fee, reduced from DCap's market fee of 30%
- Ongoing support from DCap's Education Center, including quarterly newsletter
- Notification of other settlements and government programs
- Early recovery and payment options available for those interested
